ODM

If you have a unique idea and wish to develop a customized bags product, please fill out the Google Form on the right.

For example, we've collaborated with a century-old knife manufacturer to design a professional chef's knife backpack, and with a premium winery to create a luxurious wine-carrying bag. Your concept could be the next one we bring to life.

Bento Backpack

More people today prepare their own healthy lunches for work, but juggling a backpack, laptop, and lunch bag is too much for two hands.

The Bento Backpack combines it all in one —freeing your hands for an easier, healthier day.

Stricter Carry-on Baggage Policy Explained

Airlines have tightened size limits for carry-on and personal items primarily to ensure flight safety (clear emergency routes), improve boarding efficiency, and effectively manage fuel costs.

Personal Item :

Tending towards 40×30×15 cm or smaller.

Ensure your personal item fits under the seat in front of you to avoid unexpected fees at the gate.

VoyageLite

Item No. : B-601

2-in-1 Sport & Business Backpack

Feature 1: Quickly switch between sports

The ModPack has a Front Sport Bag and a Back Business Bag. You can easily swap the Front Sport Bag for different activities each day, so you'll never have to scramble to organize your gear for tomorrow's workout!

Feature 2: Carry separately for ease

Even though the ModPack combines two bags, you can carry only the Back Business Bag during work and take just the Front Sport Bag to the gym. Enjoy convenience without carrying more than you need!

ModPack
