BENTO Backpack

Features

- Bringing your own meals is essential to a healthy modern lifestyle.
- This often means carrying meals, a laptop, and personal items—resulting in a backpack, a laptop bag, and a lunch bag, leaving both hands occupied.
- B-104 integrates all three into one—only a single bag is needed.
- Ideal for daily commuting by business women, and equally suitable as a mom bag when heading out with children.
- The lower lunch compartment features an insulated, waterproof lining.

ModPack EXERCISE

Features

- Working out before or after work is a common part of modern life. However, most office bags lack sufficient space for gym clothing, and carrying extra apparel is often heavy and cumbersome.
- ModPack combines a front gym bag with a rear business bag in a two-in-one design.
- Upon arriving at the office, the front gym bag can be detached, allowing you to carry only the rear business bag.
- After work, simply take the front gym bag to the gym.
- Different workout every day—swimming, training, or basketball? Simply swap the front gym bag module when you get home.
