

 FORYU DESIGN

About Us

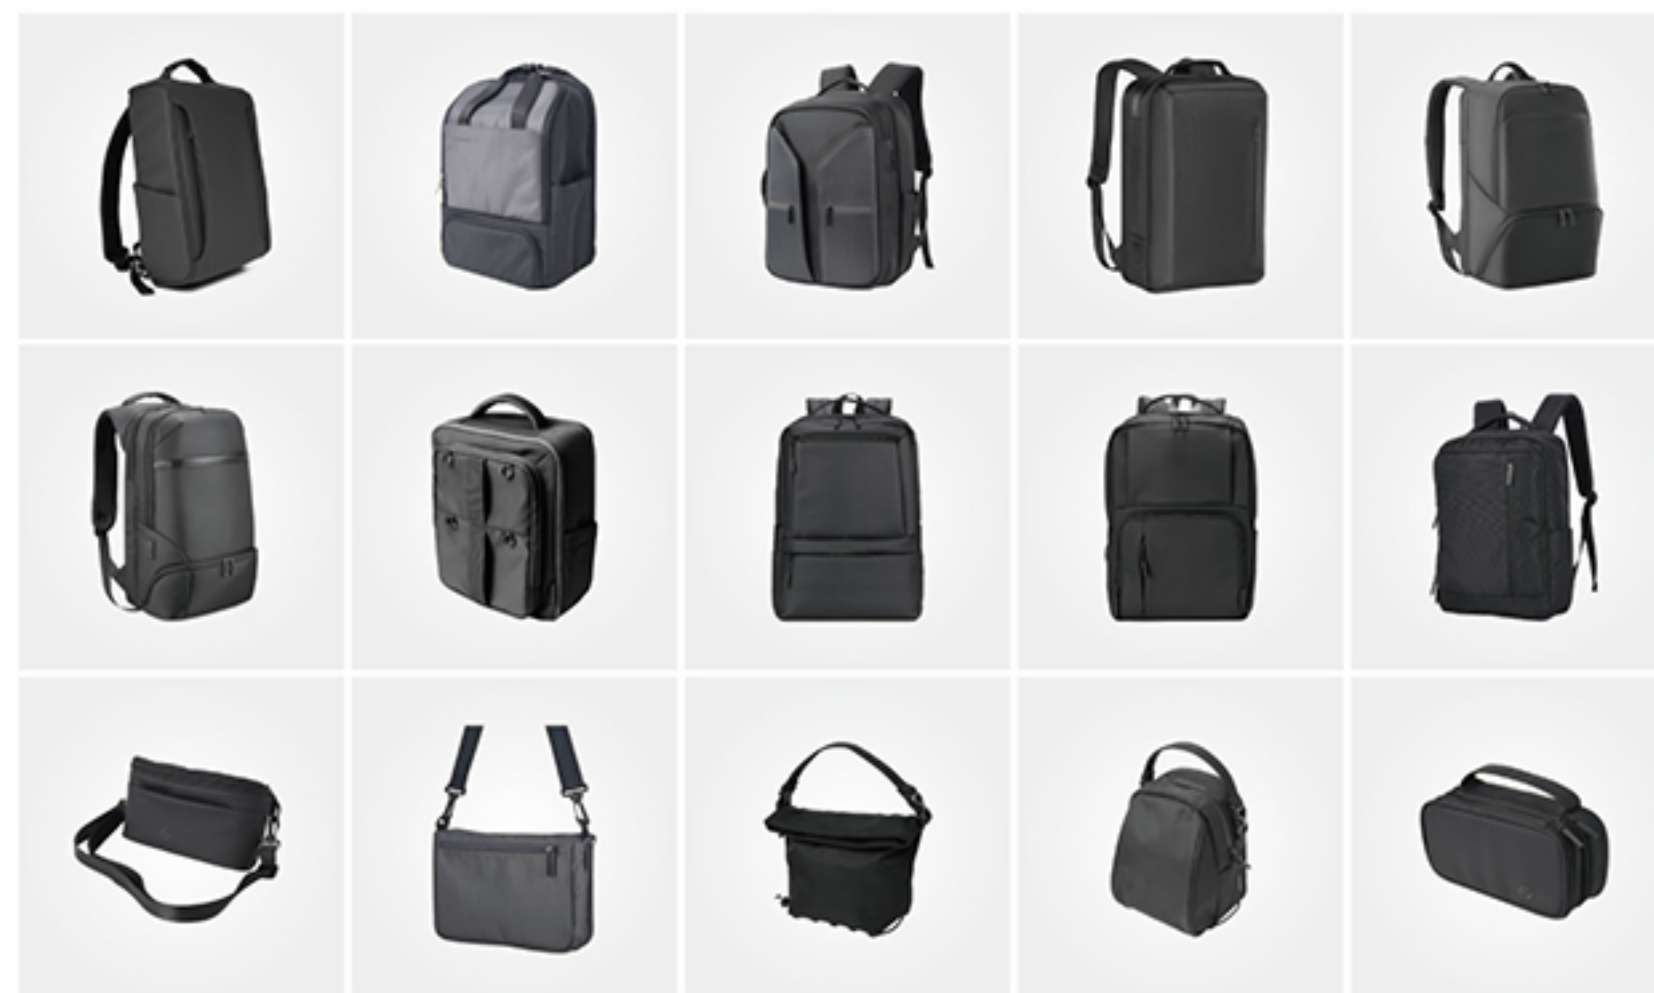

Established in 2022, FORYU DESIGN GROUP is a leading enterprise in the field of design commercialization, integrating research and development, production, and sales.

The Headquarter is located in the international design capital—New Taipei City, Taiwan, comprising an R&D Center, Operations Center, Business Center, and Manufacturing and Facility Management Center.

FORYU DESIGN has gathered a team of highly skilled professionals and established long-term partnerships with numerous world-renowned enterprises. Its business spans over 100 countries and regions.

FORYU focuses on design and innovation centered on "Experience + Thoughtful" user needs, accumulating multiple independent R&D patents.

We are committed to becoming a global leader in the field of design commercialization.

Proactive Proposal	No Design Service ✕	Annual Exclusive Proposal ✓	Project-Based Only ✕

SOAR ONE Pro

Features

- Most backpacks are accessed from the top, requiring users to remove or reposition the bag for access.
- With SOAR ONE PRO, items can be accessed simply by wearing it on the side and opening the zipper.
- Ambidextrous design allows comfortable use for both left- and right-handed users.
- Can carry an 18-inch laptop—a feat few backpacks can achieve.
- Waterproof material and zippers keep your belongings safe even in the rain.

BENTO Backpack

Features

- Bringing your own meals is essential to a healthy modern lifestyle.
- This often means carrying meals, a laptop, and personal items—resulting in a backpack, a laptop bag, and a lunch bag, leaving both hands occupied.
- B-104 integrates all three into one—only a single bag is needed.
- Ideal for daily commuting by business women, and equally suitable as a mom bag when heading out with children.
- The lower lunch compartment features an insulated, waterproof lining.

SWITCH TRAVEL

Features

- On weekends or while traveling abroad, a crossbody bag is ideal—but forgetting a shopping bag often leaves your hands full after shopping.
- We combine a travel bag and a crossbody bag in one. With a foldable structure, the travel bag is stored inside and unfolds into a full travel bag in one second by simply opening the bottom zipper.
- The travel bag also features an expandable bottom compartment, providing extra capacity when needed.
